**Real fast, real color,
real value.**

The Savin CLP22. Big value in a small footprint.

When it comes to value, few printers can compete with the Savin CLP22 color laser printer. It delivers both stunning color and crisp black & white prints at a brisk 22 ppm. The Savin CLP22 lets you produce persuasive, professional-quality color documents in-house and on time.

Power and professionalism.

Large jobs won't slow you down, thanks to a powerful 533 MHz processor and high-performance print controller. Workgroups and administrators alike will appreciate all the powerful, professional and productivity-enhancing features the CLP22 has to offer, including:

- Quick connectivity: Plug-and-print technology with standard 10/100BaseTX and USB 2.0 network interfaces simplifies set up. And optional upgrades like IEEE 802.11b and Bluetooth make it easy to work wherever there's a wireless connection.
- Compact design: Expand your capacity without expanding the footprint when you add one or two optional 530-sheet paper trays right below the main unit. And whether you're using the Multipurpose Tray to feed 110 lb. stock, or printing double-sided documents with the optional internal duplex unit, the CLP22 will still fit nicely on the corner of any desk or tabletop.

Future functionality.

When your business grows, the functionality of your Savin CLP22 can grow right along with it. Simply add the IS200e Image Scanner option to produce convenient color copies or streamline distribution with Scan-to functions.

- Capture images and automatically convert them to JPEG, TIFF or PDF files with Scan-to Email. Files can then be simultaneously sent as attachments to up to 100 e-mail addresses.
- Boost productivity by sending captured images directly to a designated Windows folder with Scan-to-Folder.
- Circumvent file size limits by sending scanned images directly to an FTP server with Scan-to-FTP. The IS200e can also be used to create convenient full-color or black & white copies.

Value from start to finish.

Replacing older inkjet and laser technology with the Savin CLP22 will help you keep costs down right from the start with the system's Automatic Color Selection. This intelligent feature activates only the required color, so mixed documents print at the most economical price. The Energy Star compliant Savin CLP22 also powers up fast and saves precious energy to help maintain office efficiency.

Contact your Savin dealer today to get the speed, color and quality you're looking for at a great value.

ENGINE/PRINTER

Configuration:	Desktop
Technology:	Laser beam scanning, color laser electro photographic printing with monocomponent toner development 4 drum tandem method
Resolution:	600 x 600 dpi (default), 1200 x 600 dpi, 1200 x 1200 dpi
Print Speed:	22 ppm (Letter) Full-color & Monochrome
First Print Speed:	Color: 14.5 sec. or less, Monochrome: 13.5 sec. or less
Dimensions (WxHxD):	16.5" x 15.7" x 21.1" (419 mm x 398 mm x 536 mm)
Weight:	72.6 lb. (33.0 kg)
Warm-up Time:	30 seconds or less
Power Source:	120V, 60Hz
Power Consumption:	460W or less, 15W or less (Energy Saver)
Standard Paper Capacity:	630 sheets = 530 x 1 + 100-sheet Multi-purpose Tray
Optional Paper Capacity:	530 x 1 or 2
Maximum Paper Capacity:	1,690 sheets
Acceptable Paper Sizes:	Paper Trays: Letter (8.5" x 11") to Legal (8.5" x 14") A4 (8.27" x 11.69") B5 (6.93" x 9.84")
	MP Tray: 3.56" x 5.85" to 8.5" x 14" A4 (8.27" x 11.69") A5 (5.8" x 8.3") B5 (6.93" x 9.84")
	Envelopes via MP Tray (Com10, Monarch, C6, C5, DL)
Acceptable Paper Weights:	Paper Trays: 16 – 28 lb. Bond (60 – 105 gm ²) MP Tray: 16 – 110 lb. Index (60 – 199 gm ²)
Output Capacity:	250 sheets face down
Automatic Duplexing:	Optional (Letter/Legal) A4 (8.27" x 11.69") B5 (6.93" x 9.84")
Duplex Paper Weight:	16 – 28 lb. Bond (60 – 105 gm ²)

CONTROLLER

CPU:	RM7035 @ 533MHz
Printer Languages:	Adobe® PostScript® 3™, PCL 6, PCL 5c, RPCS, PDF Direct
Fonts:	Adobe PostScript 3: 136 Type 1 fonts PCL: 45 Intellifonts, 10 TrueType fonts, 1 Bitmap font
Memory (RAM):	128MB Std. / 512MB Max.
Standard Interfaces:	USB 2.0, 10/100BaseTX Ethernet
Network Protocols:	TCP/IP, IPX/SPX, AppleTalk
Print Utilities:	SmartDeviceMonitor for Admin/Client Web SmartDeviceMonitor for Admin/Client Web Image Monitor, Printer Utility for Mac DeskTopBinder Lite, Font Manager
Drivers/Operating Systems:	Windows 95/98SE/NT4.0/2000/Me/XP/Server 2003 Macintosh OS 8.6 – 9.2.x, OS X 10.1 or later UNIX Filter: Solaris, HP-UX, SCO, RedHat Linux, IBM AIX Novell NetWare v 3.12, 3.2, 4.1, 4.11, 5.0, 5.1, 6 NDPS Gateway, SAP R/3 3.x or later
Memory Options:	128MB SD RAM upgrade 256MB SD RAM upgrade
Controller Options:	IEEE 802.11b Type H Wireless LAN Interface* Bluetooth Wireless Type 3245 Interface Board* IEEE 1284 Type A Parallel Interface Board* IEEE 1394 Type B Interface Board* Hard Disk Drive Network Data Protection Unit User Account Enhance Unit

*Only one additional interface can be installed.

IS200e IMAGE SCANNER (MFP OPTION)

Scanning Functionality:	Scan-to-Email (with LDAP support), Scan-to-Folder (FTP/SMB), Scan-to-Print, TWAIN Scanning
